

LIFESPAN RELIGIOUS EDUCATION CONFERENCE

A UNITARIAN UNIVERSALIST FAITH DEVELOPMENT EXPERIENCE

SCHOLARSHIP APPLICATION

The Star Island Lifespan Religious Education Conference offers a limited number of scholarships for partial support to attend our conference. These scholarships are provided to help religious educators and volunteers attend the LRE Conference. To apply for this support, please complete this form in full.

Decisions will be made in April and communicated by May 15th. In considering requests, priorities include: first-timers, DREs, MREs, level of RE involvement, and financial need. Also considered is whether previous support was provided.

We appreciate your efforts to secure funding from your home congregation, your district, and other sources. The Star Island Corporation also offers discount and scholarship opportunities. Check starisland.org for details.
